Lights, Camera, Community Action is an interactive event where we celebrate strong leaders in our community and those who #StandUpToSilence through giving. Along with other esteemed guests, you will receive an invitation to walk the red carpet and step back in time, partaking in Hollywood's greatest films through an immersive experience. CASA's 2022 gala will highlight some of the greatest movies ever made through interactive elements all evening long! The entire event will be filmed and available after the event for guests to watch in movie format.

ABOUT US

For over 40 years CASA's services have been a platform for survivors to find strength and independence. Each year, more than 10 million individuals are silenced by domestic violence. Our programs bring safety and stability to survivors through community action. Historically, neighbors have remained seated in the fight against intimate partner crime by treating it as a private family matter. This fallacy further isolates victims. We invite the community to join us in speaking out against abuse.

Together, if we Stand Up to Silence, we can end domestic violence.
