Independent Auditors' Report

To the Board of Directors of Community Action Stops Abuse, Inc. and Subsidiary:

We have audited the accompanying consolidated financial statements of Community Actions Stops Abuse, Inc. and Subsidiary (the "Organization"), which comprise the consolidated statements of financial position as of June 30, 2021 and 2020, the related consolidated statements of activities and cash flows for the years then ended, the related statement of functional expenses for the year ended June 30, 2021 and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Community Action Stops Abuse, Inc. and Subsidiary as of June 30, 2021 and 2020, and the changes in their net assets and their cash flows for the years then ended, and their functional expenses for the year ended June 30, 2021 in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Community Action Stops Abuse, Inc. and Subsidiary's 2020 consolidated financial statements, and our report dated November 20, 2020 expressed an unmodified opinion on those consolidated financial statements. In our opinion, the summarized comparative information presented herein for the year ended June 30, 2020, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

Other Matters

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying supplementary information listed in the table of contents is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations ("CFR") Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"), is presented for purposes of additional analysis and is also not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 19, 2021 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

(1) Organization and Summary of Significant Accounting Policies

(a) <u>Description of Organization and Nature of Activities</u>

Community Action Stops Abuse, Inc. ("CASA") is a Florida not-for-profit organization. CASA's mission is to influence our community to stand up to silence through advocacy, empowerment, and social change to prevent and end domestic violence. CASA promotes social change through advocacy, community education, outreach, and support for victims/survivors of Intimate Partner Violence. CASA provides comprehensive services to empower survivors of Intimate Partner Violence and their families with a safe supportive emergency shelter environment; rapid rehousing; a 24-hour crisis hotline; support groups; youth programs; substance abuse advocacy; information and referral programs; justice advocacy; outreach to under-served populations; peacemakers programs to preschools, elementary and middle schools; a very active volunteer program; and a thrift shop. Funding is provided primarily through individual donors; local fundraising activities; federal, state, and local government grants; and a private foundation.

During 2014, Victoria's Place St. Pete, Inc. ("Victoria's Place"), a Florida not-for-profit organization, was formed to work in conjunction with CASA's mission by constructing a 100-bed emergency shelter for domestic violence survivors.

Effective January 1, 2012, CASA's board of directors approved formation of Community Action Stops Abuse Foundation, Inc. (the "Foundation"). CASA has recorded an interest in the net assets of the Foundation, since CASA and the Foundation are deemed to be financially interrelated. The net assets of the Foundation totaled \$24,747 and \$24,734 as of June 30, 2021 and 2020, respectively.

(b) <u>Principles of Consolidation</u>

The accompanying consolidated financial statements include the financial statements of CASA, and Victoria's Place (collectively the "Organization" or "CASA"). All significant interorganizational balances and transactions have been eliminated in consolidation.

(c) <u>Financial Statement Presentation</u>

These consolidated financial statements, which are presented on the accrual basis of accounting, have been prepared to focus on the Organization as a whole and to present net assets and revenues, expenses, gains and losses based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

Net Assets Without Donor Restrictions include net assets that are not subject to donor-imposed stipulations and net assets that have been designated for a specific purpose by the Board of Directors of the Organization.

Net Assets With Donor Restrictions represent those amounts which are not available until future periods or are donor restricted for specific purposes. When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the accompanying consolidated statement of activities as released from restrictions.

(c) Financial Statement Presentation - Continued

The consolidated statement of functional expenses includes certain prior-year summarized comparative information in total but not by functional category. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's consolidated financial statements for the year ended June 30, 2020, from which the summarized comparative information was derived.

(d) <u>Cash Equivalents</u>

For purposes of the statements of cash flows, CASA considers all highly liquid investments with a maturity of three months or less at time of purchase to be cash equivalents.

(e) <u>Contributions</u>

The Organization recognizes contributions when cash, securities or other assets or an unconditional promise to give is received. Donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions. Contributions received with donor-imposed restrictions that are met in the same year as received are reported as revenues of the net assets without donor restrictions class.

Conditional contributions are recorded as revenue when such amounts become unconditional which generally involves the meeting of a barrier to entitlement. This can include items like meeting a matching provision, incurring specified allowable expenses in accordance with a framework of allowable costs or other barriers.

A portion of the Organization's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the consolidated statement of financial position. The Organization received cost-reimbursable grants of approximately \$1,386,000 that have not been recognized at June 30, 2021 because qualifying expenditures have not yet been incurred.

(f) <u>Receivables</u>

Grants receivable are stated at the amount management expects to collect from balances outstanding at year-end and are primarily due from Federal and State governmental agencies. Based on management's assessment of the credit history with parties having outstanding balances and current relationships with them, management has concluded that an allowance for doubtful accounts is not necessary as of June 30, 2021 and 2020.

(f) <u>Receivables - Continued</u>

Contributions receivable are comprised of unconditional promises to give and are stated at the amount management expects to collect from outstanding balances. The carrying amount of contributions receivable is reduced by a valuation allowance that reflects management's best estimate of the amount that will not be collected. At the time contributions receivable are determined by management to be uncollectible, the receivables are charged against this allowance.

(g) <u>Inventories</u>

Inventories of thrift store merchandise consist of donated clothes and miscellaneous household items and are recorded at estimated fair value when contributed based on an average turnover rate which is not in excess of expected realizable amounts.

(h) **<u>Property and Equipment</u>**

Property and equipment with a cost in excess of \$1,000 are capitalized, if purchased, or at estimated fair value at date of receipt if acquired by gift. Depreciation is calculated using the straight-line method over the estimated useful lives of the respective assets, except for leasehold improvements, which are amortized over the shorter of the lease term or the useful life of the leased asset.

Property acquired with governmental funds is considered to be owned by CASA while used in the program for which it was purchased or in future authorized programs; however, its disposition as well as the ownership of any proceeds therefrom is subject to applicable regulations.

(i) <u>Investments</u>

Investments in marketable securities with readily determinable fair values and all investments in debt securities are carried at their fair value in the Organization's consolidated statement of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying consolidated statement of activities. Restrictions on investment earnings are reported as increases in net assets without donor restrictions if the restrictions are satisfied in the fiscal year in which the earnings are recognized.

(j) <u>Unamortized Loan Costs</u>

The Organization presents loan costs as a reduction of long-term debt in accordance with Accounting Standards Codification ("ASC") Topic 835, *Interest*, in the accompanying consolidated statements of financial position. Loan costs are amortized over the life of the related loan and recorded as interest expense in the accompanying consolidated statements of activities.

(k) Income Taxes

CASA and Victoria's Place have been recognized as exempt from Federal income taxes under section 501(c)(3) of the Internal Revenue Code. Therefore, no provision for income taxes has been presented in these consolidated financial statements. CASA and Victoria's Place have not reported any unrelated business income; however, such status is subject to final determination upon examination, if any, of the related income tax returns by the appropriate taxing authorities.

The Organization is not aware of any tax positions it has taken that are subject to a significant degree of uncertainty. Tax filings for tax years after 2017 remain subject to examination by federal and state taxing authorities.

(l) <u>Functional Expense Allocations</u>

The costs of providing CASA's various programs and other activities have been summarized on a functional basis in the consolidated statement of functional expenses. Expenses directly attributable to a specific functional area of CASA are reported as direct expenses of those functional areas while indirect costs that benefit multiple functional areas have been allocated among the functional areas based on either time spent by employees on each functional area or based on a square footage analysis for all indirect occupancy-related expenses.

(m) Donated Materials and Services

Donations of materials are recorded as support at their estimated fair value at the date of donation. Donations of services are recorded as support at their estimated fair value if they require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. In-kind support for the years ended June 30, 2021 and 2020 consists of donated facilities and materials donated to the Thrift Store program. There were no in-kind professional services received in 2021 or 2020.

(n) Estimates in Consolidated Financial Statements

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

(o) <u>Going Concern Evaluation</u>

On an annual basis, as required by ASC Topic 205, *Presentation of Financial Statements - Going Concern*, the Organization performs an evaluation to determine whether there are conditions or events (known and reasonably knowable), considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued. Management's assessment did not indicate that substantial doubt is raised about the ability to remain a going concern for one year from the date the consolidated financial statements were available for issuance.

(p) <u>Reclassifications</u>

Certain amounts in the 2020 consolidated financial statements have been reclassified to conform with the 2021 presentation.

(q) Subsequent Events Evaluation

On July 22, 2021, CASA executed a revolving line of credit with a bank which allows CASA to borrow up to \$550,000 at the bank's prime rate of interest. Amounts drawn on the line of credit are due on demand. The line of credit is collateralized by substantially all of the assets of the CASA and matures in December 2021.

Management has evaluated all events subsequent to the consolidated statement of financial position date of June 30, 2021 through October 19, 2021, the date these consolidated financial statements were available to be issued.

(2) <u>Investments</u>

At June 30, 2021 and 2020, the cost and market values of investments were as follows:

| | June 30, | , 2021 | June 30, 2020 | | |
|--------------------------------------|-----------------|---------|---------------|---------|--|
| | Cost Market | | Cost | Market | |
| Money market funds | \$ 13,394 | 13,394 | 5,837 | 5,837 | |

| | \$ 463,832 | 474,546 | 455,692 | 473,522 | |

The Organization's investments in debt securities are not concentrated in a single entity or in a few entities, nor are there any specific industry concentrations.

(2) <u>Investments - Continued</u>

In 2020, the Organization entered into an agreement with Community Foundation of Tampa Bay ("Community Foundation") pursuant to which the Community Foundation has established "The David and Virginia Baldwin Endowment for CASA" (the "Endowment Fund") for the purpose of allowing donors to make contributions to the Community Foundation for the benefit of CASA. Contributions to the Endowment Fund are not reflected in CASA's consolidated financial statements as the Community Foundation retains the right to re-direct assets held in the Endowment Fund. As of June 30, 2021 and 2020, the market value of the Endowment Fund, as reported by the Community Foundation, was \$1,613,850 and \$1,292,887, respectively. For the years ended June 30, 2021 and 2020, the Endowment Fund distributed earnings to CASA of \$63,506 and \$30,781, respectively.

Investment return for the years ended June 30, 2021 and 2020 is summarized as follows:

| | 2021 | 2020 |
|--|----------------------------------|------------------------------|
| Dividend and interest income Realized and unrealized gains (losses) Investment management fees | \$ 10,424 (7,788) (712) | 72,728 87,606 (12,315) |
| | \$ 1,924 | 148,019 |

(3) <u>Contributions Receivable</u>

Contributions receivable consist of the following at June 30, 2021 and 2020:

| | 2021 | 2020 |
|---|----------------------|-------------------|
| Special events Sunshine and Hope Campaign | \$ 36,147 | 125,134 10,700 |

(4) <u>Gifted Facilities</u>

Gifted facilities refers to two parcels of land that are used for transitional housing. In fiscal years 1998 and 1997 CASA entered into lease agreements for two parcels of land with a local hospital ("Landlord"). In July 2012, the 1998 lease was extended to February 2021 and was not renewed upon maturity. In September 2016, the 1997 lease was extended to September 2042. Accordingly, the Organization has recorded a gifted facility contribution which represents the present value of the excess of the aggregate fair rental value of the land lease over below market rent payments due over the remaining term of the lease.

Recognition of the fair value of these leases as of and for the years ended June 30, 2021 and 2020 is summarized below:

| Fair value of gifted facility at June 30, 2019 Recognition of fair value of gifted land lease Recognition of rent expense for the year ended | \$ 109,383 3,906 |
|--|------------------------|
| June 30, 2020 | (15,887) |
| Fair value of gifted facility at June 30, 2020 Recognition of fair value of gifted land lease | 97,402 3,145 |
| Recognition of rent expense for the year ended June 30, 2021 | (15,887) |
| Fair value of gifted facility at June 30, 2021 | 84,660 |
| Current portion of gifted facility | 3,033 |
| Gifted facility, less current portion | \$ 81,627 |

(5) **<u>Property and Equipment</u>**

Property and equipment consist of the following at June 30, 2021 and 2020:

| | Estimated Useful Lives | <u> </u> | 2021 | 2020 |
|-------------------------------|---------------------------|----------|------------|------------|
| Land | - | \$ | 932,100 | 932,100 |

(6) <u>New Markets Tax Credit Program</u>

During the year ended June 30, 2014, CASA completed a \$12 million transaction ("Transaction") under federal and state of Florida New Markets Tax Credit Programs ("Program") with Florida Community New Markets Fund, FCLF Florida NMTC Investment Fund, and Stonehenge Florida NMTC Investment Fund and their affiliates. As part of the Transaction, CASA was required to create a new subsidiary entity, Victoria's Place St. Pete, Inc. ("Victoria's Place"), with CASA as the sole member. Victoria's Place used the proceeds to construct a new 100-bed emergency shelter for survivors of domestic violence (the "Shelter") pursuant to and in accordance with the Concession and Service Agreements between Victoria's Place and CASA. CASA operates the shelter.

The Transaction includes a gross subsidy to the Organization of \$5,141,600, which represents the amount of long-term debt expected to be extinguished and forgiven at the conclusion of the Transaction. The Transaction resulted in two notes receivable from Stonehenge Florida NMTC Investment Fund and FCLF Florida in the amounts of \$2,263,400 and \$4,025,000, respectively, and three notes payable to Florida Community New Markets Fund XIV, LLC in the total amount of \$11,430,000.

The difference between the notes payable and notes receivable of \$5,141,600 represents the gross subsidy to the Organization for participation in the Program. On the date of closing, May 29, 2014, the Organization incurred fees and costs related to the closing of the Transaction of \$757,122, leaving a remaining balance of \$4,384,478, the net subsidy. The remaining subsidy is intended to cover fees and costs related to the Organization in the Program in accordance with the Concession and Service Agreements.

Notes receivable from participants accrue interest at 1% and are received quarterly. Beginning July 1, 2021 principal and interest will be received annually sufficient to fully amortize the notes, with the final payment due April 10, 2043. These notes were cancelled in June 2021 as a result of the Program ending as described below.

The three notes payable in the amounts of \$4,762,500; \$4,579,327; and \$2,088,173 accrue interest at 1.928% payable quarterly. Beginning October 1, 2021, principal and interest will be payable quarterly sufficient to fully amortize the loans, with final payment due October 1, 2044. Effective with the conclusion of the program in June 2021 as described below, these three notes became intercompany liabilities between CASA and Victoria's place and have been eliminated in the accompanying consolidated statement of financial position.

Loan costs incurred in connection with the issuance of New Markets Tax Credit Program debt are presented as a reduction of notes payable - New Markets Tax Credit and are being amortized over the term of the loans.

During June 2021, the New Markets Credit Program transaction was concluded. Stonehenge transferred its interests in the \$11,430,000 of notes receivable from Victoria's Place to CASA and CASA's original note receivable with an outstanding principal balance of \$6,267,413 was cancelled. As a result, CASA recognized a noncash gain of \$5,162,587.

(6) <u>New Markets Tax Credit Program - Continued</u>

The components of notes payable - New Markets Tax Credit as of June 30, 2021 and 2020 are as follows:

| | 2021 | 2020 |
|---|----------|-------------------------|
| Notes payable - New Markets Tax Credit Less unamortized loan costs | \$ - | 11,430,000 (143,125) |
| Notes payable - New Markets Tax Credit, net | \$ - | 11,286,875 |

Amortization expense related to the loan costs was \$143,125 for each of the years ended June 30, 2021 and 2020. Interest expense was \$203,842 and \$220,370 for years ended June 30, 2021 and 2020, respectively.

(7) Deferred Payment Mortgages

In 2016, the City of St. Petersburg provided financing through a deferred payment mortgage to renovate certain facilities funded by the US Department of Housing and Urban Development ("HUD") Community Development Block Grant ("CDBG") Program. As a condition of the CDBG funding, the Organization must continue the programs associated with the grant at these facilities for a period of five years through December 2021. If the programs associated with the grant are terminated prior to the maturity date, the entire principal balance shall become immediately due and payable. At both June 30, 2021 and 2020, the outstanding balance of the deferred payment mortgage was \$113,801.

In 2019, the City of St. Petersburg provided financing through a deferred payment mortgage to renovate certain facilities funded by the HUD CDBG Program. As a condition of the CDBG funding, the Organization must continue the programs associated with the grant at these facilities for a period of five years through December 2024. If the programs associated with the grant are terminated prior to the maturity date, the entire principal balance shall become immediately due and payable. At both June 30, 2021 and 2020, the outstanding balance of the deferred payment mortgage was \$22,500.

In 2020, the City of St. Petersburg provided financing through a deferred payment mortgage to renovate certain facilities funded by the HUD CDBG Program. As a condition of the CDBG funding, the Organization must continue the programs associated with the grant at these facilities for a period of approximately six years through January 2026. If the programs associated with the grant are terminated prior to the maturity date, the entire principal balance shall become immediately due and payable. At June 30, 2021, the outstanding balance of the deferred payment mortgage was \$45,000.

(9) <u>Refundable Advances</u>

CASA and Victoria's Place applied for and received forgivable Paycheck Protection Loans in the amounts of \$577,420 and \$14,500, respectively, as provided under the Federal Coronavirus Aid, Relief and Economic Security Act and the loans were funded on May 4, 2020 and May 8, 2020, respectively. Under the terms of the loans, the balances are forgivable to the extent the proceeds are used for certain qualified costs for the 24 week period through October 19, 2020 and October 23, 2020, respectively, and that certain employment levels are maintained. To the extent a portion of the loans do not meet the criteria to be forgiven, such amounts are due on May 4, 2022 (CASA) and May 8, 2022 (Victoria's Place) and bear interest at a rate of 1%. The Organization elected to account for the PPP loans as government grants in accordance with ASC 958-605, Not-for-Profit Entities -*Revenue Recognition*, recognizing revenue as the barriers to entitlement were satisfied. For the years ended June 30, 2021 and 2020, the Organization recognized federal grant revenue of \$400,323 and \$191,597, respectively, based upon the amount of eligible costs incurred associated with this funding. At June 30, 2021 and 2020, the federal refundable advance was \$0 and \$400,323, respectively. A formal request for forgiveness was submitted for both loans upon the conclusion of the performance period outlined above. In June 2021, the Organization received notice of legal release of CASA's \$577,420 obligation. Subsequent to year end in September 2021, the Organization received notice of legal release of Victoria's Place's \$14,500 obligation.

(11) Fair Value Measurements

Financial instruments measured at fair value are classified and disclosed in the following categories:

- Level 1: Quoted prices are available in active markets for identical investments as of the reporting date. The types of investments included in Level 1 are money market mutual funds, fixed income mutual funds, equity mutual funds, and real asset funds.
- Level 2: Pricing inputs are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value is determined through the use of models or other valuation methodologies. The types of investments included in Level 2 are corporate bonds and certain U.S. government and agency obligations.
- Level 3: Valuation is based on unobservable inputs.

There have been no changes in the valuation methodologies used at June 30, 2021 and 2020. The inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, a financial instrument's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

(12) Concentrations of Credit Risk

The Organization maintains cash balances at two financial institutions. Cash accounts are insured by the Federal Deposit Insurance Corporation up to \$250,000 per depositor. At June 30, 2021, cash balances exceeded federal deposit insurance limits by approximately \$742,000.

Substantially all of the Organization's activities are supported by funds provided by various federal agencies, including pass-through awards received from the State of Florida Department of Children and Families, under cost reimbursement contracts. The Organization also receives direct federal support from the U.S. Department of Housing and Urban Development, and local support from Pinellas County and the City of St. Petersburg.

At June 30, 2021, the Organization's receivables from four funding sources represented approximately 86% of grant receivables. Revenues from four local, state, and federal contract awards represented approximately 76% of total support and revenue for the year ended June 30, 2021. At June 30, 2020, the Organization's receivables from three funding sources represented approximately 84% of grant receivables. Revenues from three local, state, and federal contract awards represented approximately 65% of total support and revenue for the year ended June 30, 2020.

Notes to Consolidated Financial Statements - Continued

(13) <u>Contingencies</u>

The Organization routinely enters into grant agreements with governmental agencies that provide for reimbursement of the eligible direct and indirect costs of providing certain of the Organization's program services. The grants and contracts are subject to audit or review and retroactive adjustment based on a final determination by the grantor of eligible reimbursable expenditures. The effect of such adjustments, if any, on the Organization's consolidated financial statements cannot be determined at this time and no provision has been made for any such adjustment in the accompanying consolidated financial statements.

During the years ended June 30, 2015 and 2014, the Organization received a total of \$2,370,364 and \$129,636, respectively, totaling \$2.5 million, from the State of Florida Department of Children and Families through a Fixed Capital Outlay Grants and Aids for the purchase and construction of the 100-bed emergency shelter. Under the terms of this program, the Organization must use the facility as a domestic violence shelter for 20 years. The funder may require repayment of the grant if the Organization does not use the property for its intended use during the specified time frame. It is the intent of the Organization to maintain and use the shelter for the entire 20-year period.

During the year ended June 30, 2017, the Organization received a total of \$287,830 from Pinellas County through the Community Development Block Grant Program ("CDBG") for the purchase and installation of solar panels at the 100-bed emergency shelter. Under the terms of this program, the Organization must maintain the shelter and benefit area residents, and 51% of the households benefiting from services shall be households whose annual incomes do not exceed 80% of the median family income for the area, as determined and made available by U.S. Department of Housing and Urban Development, for 13 years. The funder may require repayment of the grant if the Organization does not use the property for its intended use during the specified time frame. It is the intent of the Organization to maintain and use the shelter for the entire 13-year period.

(14) **<u>Risks and Uncertainties</u>**

The novel coronavirus ("COVID-19") spread rapidly across the world in the first quarter of 2020 and was declared a pandemic by the World Health Organization in March 2020. The government and private sector responses to contain its spread began to adversely affect the broader economy and business in general in March 2020 and those impacts will likely affect operations through the remainder of 2021, although such effects may vary significantly. The Organization's operations have not been significantly impacted, however, the duration and extent of the pandemic and its effects over longer terms cannot be reasonably estimated as of the date the consolidated financial statements were available for issuance. The risks and uncertainties resulting from the pandemic that may affect the results of operating activities, cash flows and financial condition include the nature and duration of any potential curtailment of program activities and the long-term effect on demand for the Organization's services. Accordingly, significant estimates used in the preparation of the consolidated financial statements including those associated with evaluations of certain long-lived assets for impairment and expected credit losses on amounts owed to the Organization may be subject to significant adjustments in future periods.

Notes to Consolidated Financial Statements - Continued

(15) Matching Requirements

The Organization receives a substantial portion of its support from various funding sources which require a local match. The Organization has satisfied all of its matching requirements through local grants and by incurring sufficient eligible expenses.

(16) Liquidity and Availability of Resources

CASA is supported by contributions with and without donor restrictions. Because a donor's restriction requires resources to be used in a particular manner or in a future period, the Organization must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due. The Organization regularly monitors liquidity to meet its operating needs and other contractual commitments. The Organization has various sources of liquidity at its disposal including cash and investments. As of June 30, 2021 and 2020, the Organization's financial assets available to meet general expenditures within one year were as follows:

| | 2021 | 2020 |
|---|-----------------|-----------|
| Cash and cash equivalents | \$ 948,714 | 1,183,897 |

Notes to Schedule of Expenditures of Federal Awards

For the Year Ended June 30, 2021

(1) **Basis of Presentation**

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal grant activity of Community Action Stops Abuse, Inc. and Subsidiary under programs of the federal government for the year ended June 30, 2021. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations ("CFR") Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of Community Action Stops Abuse, Inc. and Subsidiary, it is not intended to and does not present the consolidated financial position, changes in net assets, or cash flows of Community Action Stops Abuse, Inc. and Subsidiary.

(2) Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

(3) <u>Other</u>

The accompanying Schedule includes federal expenditures awarded by pass-through agencies. Expenditures of certain federal programs were awarded to Community Action Stops Abuse, Inc. and Subsidiary by more than one pass-through agency or under more than one contract.

The Organization has elected to use the 10% de minimus rate allowed under the Uniform Guidance.

(4) Loans

Loans outstanding at the beginning of the year and loans received during the year, if any, are included in the federal expenditures presented in the Schedule. The balance of outstanding loans as of June 30, 2021 consists of:

| CFDA Number | | | Balance at une 30, 2021 |
|----------------|---|----|----------------------------|
| 14.218 | Community Development Block Grants/Entitlement Grants | \$ | 113,801 |

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Consolidated Financial Statements Performed in Accordance with *Government Auditing Standards*

To the Board of Directors of Community Action Stops Abuse, Inc. and Subsidiary:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Community Action Stops Abuse, Inc. and Subsidiary (the "Organization"), which comprise the consolidated statement of financial position as of June 30, 2021, the related consolidated statements of activities, functional expenses, and cash flows for the year then ended and the related notes to the consolidated financial statements, and have issued our report thereon dated October 19, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of the obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance Required by the Uniform Guidance

To the Board of Directors of Community Action Stops Abuse, Inc. and Subsidiary:

Report on Compliance for Each Major Federal Program

We have audited Community Action Stops Abuse, Inc. and Subsidiary's (the "Organization") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the Organization's major federal program for the year ended June 30, 2021. The Organization's major federal program is identified in the summary of Auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal program.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for the Organization's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations ("CFR") Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2021.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on its major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program, and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
